NOTIFICATION OF STATE BOARD OF ELECTION DELAY IN CERTIFICATION
VOTE BY MAIL AND EARLY VOTING
FOR THE GENERAL PRIMARY ELECTION
MARCH 15, 2016

Registered voters may now make application to vote by mail. Students, out of county workers, or simply those desiring to vote in the privacy of their home, can conveniently obtain an Application to Vote by Mail by contacting the Office of the County Clerk. Mail applications will be received by the County Clerk until March 10, 2016. No ballots may be sent by mail after that date as provided by law. No excuse is needed to vote by mail or early.

Registered voters, who desire to cast a ballot at the Office of the County Clerk rather than their polling place, may vote in person as an Early Voter in the Office of the County Clerk at such a time the State Board of Elections certifies the Presidential Candidates for the Ballot. The office is located on the 1st floor Room 116 at the Union County Courthouse, 309 W Market St, Jonesboro, Illinois. Early Voting will be conducted in the Office of the County Clerk upon notification by the State Board of Elections on or near February 17 – March 14, 2016. Early voting allows registered voters to cast their ballot prior to Election Day by voting at the pre-designated site of the Office of the Union County Clerk. Early voters must be registered and a valid picture ID showing their current voter registration address is encouraged but not mandatory.

Please call or email our office prior to heading to the early voting site to be assured the ballot information from the State has been received and that our ballot is available for early voting. Office hours are Monday through Friday 8:00 a.m. – 4:00 p.m. Any questions concerning voting may be directed to the Office of the County Clerk at 618-833-5711.
