Ms. Rivkin:

Please consider this our response to your October 6, 2014 Freedom of Information Act request:

*Any and all written policies, protocols, operational procedures, guidelines, or other documents pertaining to the custodial interrogation of suspects, including but not limited to any such documents pertaining to the interrogations of juveniles or persons under age 18.*

Per our Chief Deputy—Scott Harvel—there are currently no written policies in the Union County Sheriff's Office that govern custodial interviews. We are therefore neither in the custody nor the possession of any records responsive to your request.

We feel this completes your request. If we may be of further assistance, please let me know.

Sincerely,

Rollie Hawk, Chief Information Office
