Subject: Request for Tally of Unofficial Write-In Votes for President if You Have It

To Whom it May Concern:

The 2016 General Election saw an unprecedented number of write-in votes cast for president. I am working on a research project involving these write-ins.

If you happen to have compiled any tally of unofficial write-in candidates for president (such as Bernie Sanders, John Kasich, and even for "protest" write-in votes such as "Deez Nuts" or "Harambe" I would be very interested in receiving it).

I know Illinois state law only requires you to tally the official write-in candidates, but some counties do compile some sort of unofficial tally of the unofficial ones for president as well "for fun" or for local media, so if you have done such a tally (even a partial one), I'd love to receive it. If you don't, I certainly understand. Thanks!
