Please consider this our response to your attached February 16, 2016 Freedom of Information Act request, summarized below:

This is a request for a copy of the following records for the address 1570 Airport Road Jonesboro, IL from 2005 to 2015:

- *Property tax bills*
- *History of property tax payments for the years described above*

The Union County Treasurer's Office has searched their records and have found a number of records responsive to your request. Please find them attached.

Please note that the statement for 2009 indicates property taxes were unpaid. However, this appears to be the result of historical data from that year that is not available in our current tax software or previous tax software. We were able to verify in our old tax software for 2010 that the previous year's taxes—2009—were indeed paid; please see the attached screenshot.

We feel this completes your request. If we may be of further assistance, please let me know.

Sincerely,

Rollie Hawk, Chief Information Office

Mr Burns-

I apologize for the tardiness of my reply. I somehow must have missed this request. I have copied Rollie Hawk, Union County's FOIA officer, on this reply. You will get a formal reply from him.

My staff will work to get these documents to you as soon as possible.

Subject: FOIA Request

To whom it may concern,

Pursuant to the Illinois Freedom of Information Act, 5 ILCS 140/1 et seq., this is a request for a copy of the following records for the address 1570 Airport Road Jonesboro, IL from 2005 to 2015:

- Property tax bills
- History of property tax payments for the years described above

Please email the above documents to kburns.blog@gmail.com. If any documents are not provided in the format specified, please provide the State or Federal statutes relied upon for that decision.

These records must be provided electronically if available according to FOIA regulations as outlined by the Illinois Attorney General, "It has been held that it is the obligation of a public body to provide a requesting party with records in the form in which they are ordinarily kept, if so requested; a public body may not elect to furnish records in a different format. American Federation of State County & Municipal Employees, AFL-CIO v. County of Cook, 136 Ill. 2d 334, 345-47 (1990). Thus, when a requesting party sought a copy of computerized records on a computer tape, the public body could not satisfy the request by furnishing a printout of the records."

I certify that this request is not for commercial purposes and is in the public interest.

Thank you for your prompt consideration of this request.

If any fee in excess of \$10.00 will be incurred in fulfilling this request, please obtain my approval before the fee is accessed.

Sincerely,

Kevin Burns
