Ms. Cooper:

Please consider this our response to your attached Freedom of Information Act request, received via email on June 20, 2016 and summarized below:

2015 assessment and tax data

I have performed an export of the County's Assessment Rollbook for Tax Year 2015 into Excel format and the total file size is 2.7MB.

Per Section 6(a-5) of FOIA (5 ILCS 140/6(a-5)), please see below an accounting of applicable fees.

File(s) Type	Total File Size	Fee
Non-PDF, 2-4MB	2.7MB	\$40
Total Fee		\$40

Your check can be made payable to *Union County Treasurer* and mailed to my office—address is above—at your convenience. Once payment is received, I can deliver the files by your choice of postal mail, email or FTP.

Once those files are delivered, we will consider your request completed. If I may be of further assistance, please let me know.

Sincerely,

Rollie Hawk, Chief Information Office

Just to confirm, does this look like the report you want? Also, do you want it in Excel format?

Table with 14 columns: township, parcel_number, alternate_parcel_number, tax_status, tax_code, py_reason, assess_farm_land_py, assess_farm_building_py, assess_non_farm_land_py, assess_non_farm_building_py, ta_reason, assess_farm_land_ta, assess_farm_building_ta, assess_non_farm_land_ta. It contains 6 rows of data.
