Details of Offense

On May 1, 2006 at approximately 9:30 PM Officer Ron Stamp, Jonesboro PD, requested that I, Deputy Mike Dammerman, meet with him at the Union County Hospital Emergency Room in reference to a sexual assault that had occurred.

When I arrived at the ER Officer Stamp advised me that he was following up on a juvenile runaway when he learned of the sexual assault.

Officer Stamp and I then went inside to speak with the victim, [REDACTED] F/W [REDACTED] [REDACTED] was in the chapel with her mother. Officer Stamp and I advised [REDACTED] that we were there to interview her in reference to the sexual assault. Officer Stamp and I advised [REDACTED] that we would be asking her graphic questions and asked if she would like a female officer to be present. [REDACTED] advised she was fine with the questions and wished for her mother to remain present.

I asked [REDACTED] to tell us what had happened. [REDACTED] advised that on April 21st she had gone to the park in Gorham, Illinois with her cousin, [REDACTED]. When they got there she advised they met Andrew Trammel, [REDACTED] and another female named [REDACTED]. [REDACTED] advised that Andrew asked them if they wanted to go riding around. [REDACTED] advised she thought it would be okay because her cousin was with her, so they all got in [REDACTED]'s car to ride around. [REDACTED] advised after they left the park they stopped at a gas station where [REDACTED] bought the group some alcohol. When they left the gas station they drove around and [REDACTED] gave [REDACTED] a wine cooler to drink. [REDACTED] advised that she drank two wine coolers while they were driving around. [REDACTED] advised that they then drove to [REDACTED]'s residence in Ware.

[REDACTED] advised when they got to the residence they all got out and were talking and the rest of the group continued to drink. While they were talking [REDACTED] said that Andrew put his arms around her like he was hugging her. [REDACTED] advised she was feeling "tipsy" and was getting tired so she went into the house and found a mattress to lay down on. She advised she had been there for 5 to 10 minutes when Andrew came in and laid down beside her. [REDACTED] advised that Andrew started rubbing her breasts with his hand for a short time. She advised that Andrew then started holding her and kissing her. After approximately 10 to 20 minutes Andrew

then put his hand up inside her shirt and put his hand on her breast again. Andrew then began kissing her again and then put his hand on her vagina and started rubbing on her through her pants for a few minutes. Andrew then removed her pants and panties and began to rub her vagina again. Andrew then inserted his fingers inside [REDACTED]'s vagina. [REDACTED] advised when he put his fingers inside her that it hurt and she wanted to cry. [REDACTED] advised this went on for a few minutes and then Andrew started to get on top of her. At this point [REDACTED] told Andrew to stop but he did not and continued to have sex with her by placing his penis inside her vagina.

[REDACTED] advised that while Andrew had sex with her it hurt so bad she still wanted to cry.

[REDACTED] advised that when Andrew was done he got off of her and began to hold her again until he fell asleep.

[REDACTED] advised once Andrew was asleep she got up and went to the bathroom because her stomach was hurting. While in the bathroom [REDACTED] advised she looked down and saw she was bleeding from the vagina. [REDACTED] advised she stayed in the bathroom for awhile hoping the pain would go away and because she was feeling sick. She left the bathroom and went back to lay down on the mattress because there was no other place for her to sleep. [REDACTED] advised when she laid down Andrew rolled over and put his arms around her again.

[REDACTED] advised she laid there for awhile trying to go to sleep but could not because she was in so much pain. [REDACTED] advised she finally fell asleep around 4:00 AM. [REDACTED] said she then woke around 7:00 AM and Andrew, [REDACTED] and [REDACTED] were all gone to work.

[REDACTED] advised she remained at the residence for a few hours until her mother had learned where she was and came to pick her up.

[REDACTED] advised she had no further contact with Andrew until April 29th at around 8:00 PM when Andrew called her cell phone. Andrew asked [REDACTED] where she was and she told him that she was at the skating rink in Anna. Andrew told her he would be there in 20 minutes and to wait for him. [REDACTED] advised that Andrew came to the skating rink and her cousin, [REDACTED] was with him. Andrew asked if she wanted to go ride around. [REDACTED] thought it would be okay because [REDACTED] was with them. [REDACTED] then got into the back seat of the car. [REDACTED] advised they rode around for awhile and made a couple stops before ending up at [REDACTED]'s house in Ware where they dropped off [REDACTED]. [REDACTED] then got into the front seat of the car because she was not sure where they were going. [REDACTED] advised she was starting to feel scared because [REDACTED] was no longer with them and she felt like she was stuck with Andrew. [REDACTED] said they then drove to a friend of Andrews' house in Ware and thought they would sleep in the car. [REDACTED] advised that Andrew then started touching her breasts and kissing her. [REDACTED] said she was scared and did not know what to do. [REDACTED] advised that Andrew then began rubbing her vagina through her pants. Andrew then put his hand down her pants and began rubbing the outside of her vagina before he inserted his finger into her vagina. Andrew then took [REDACTED]'s pants off and again inserted his fingers into her vagina. Andrew then tried to have sex with [REDACTED] but stopped because the car was too small. [REDACTED] said Andrew laid beside her with his arms around her for awhile. They both got dressed and went to sleep.

██████████ said when they woke the next morning they left Ware and went to Alto Pass to a bike show, then went to Gorham and Grand Tower while just driving around.

██████████ advised while driving around she felt scared because her cousin, ██████████ was not with them.

██████████ advised after driving around they ended up at Andrew's grandmother's house in Royalton.

██████████ advised that while at Andrew's grandmother's house Andrew again assaulted ██████████ while there.

██████████ advised that she and Andrew spent the night at Andrew's grandmother's house. She advised when they woke the next morning they stayed there and watched tv until around noon and then left. ██████████ advised after they left that they were stopped by a police officer and that she was taken into custody because her mother had listed her as a runaway.

██████████'s mother picked her up in Franklin County and while returning home ██████████ told her that she had sex with Andrew.

██████████'s mother took her to the Union County Hospital Emergency Room to have her examined. Dr ██████████ and nurse, ██████████, examined and obtained a sexual assault evidence collection kit and gathered ██████████'s clothing for evidence.

██████████'s mother was asked to sign an authorization to release information form which she did so the evidence collected could be released.

Nurse ██████████ released a sexual assault evidence collection kit and a sealed paper bag containing ██████████'s clothes to Deputy Mike Dammerman.

The evidence was then taken to the Union County Sheriff's Office and signed over to Deputy Ron Stamp to be secured in the evidence room until they can be taken to the State Police Crime Lab for further analysis.
