Subject: Illinois 2018 Primary Elections - Records Request

Dear Illinois Elections Official:

I would first like to extend my sincere appreciation for the high response rate we received pertaining to 2017 Illinois Elections. And now we're at it again for 2018...

Please accept this as a records request pertaining to the March 20, 2018 election.

At your convenience, please provide the following data for candidates who filed to appear on the ballot in 2018 (and whether or not s/he is opposed)

- Name (as it will appear on the ballot)
- Party Affiliation
- Mailing Address
- Phone Number
- Email Address
- Campaign Website, including social media websites
- Incumbent or Challenger
- Office being sought (e.g., "School Board")
- District (e.g., "City School District, Seat 2")
- Election Date
- County, and
- Gender (if known).

Ideally, I would like this information delivered via an Excel Spreadsheet (see attached template), but - as you are not required to "create" any new document - many election officials merely scan/fax the candidates' filing forms or other document(s).

Thank you in advance and please feel free to contact me with any questions.

Sincerely,
Adam H. Berry
