Subject: Illinois 2018 Primary Elections - Records Request

Dear Illinois Elections Official:

Please accept this as my second request for public records (see below). If you responded already, I apologize in advance. Kindly let me know, and I will adjust my records accordingly.

Please accept this as a records request pertaining to the March 20, 2018 election.

At your convenience, please provide the following data for candidates who filed to appear on the ballot in 2018 (and whether or not s/he is opposed)

- Name (as it will appear on the ballot)
- Party Affiliation
- Mailing Address
- Phone Number
- Email Address
- Campaign Website, including social media websites
- Incumbent or Challenger
- Office being sought (e.g., "School Board")
- District (e.g., "City School District, Seat 2")
- Election Date
- County, and
- Gender (if known).

Ideally, I would like this information delivered via an Excel Spreadsheet (see attached template), but - as you are not required to "create" any new document - many election officials merely scan/fax the candidates' filing forms or other document(s).

Thank you in advance and please feel free to contact me with any questions.

Sincerely,
Adam H. Berry
