Mr. Sands:

Please consider this our response to your attached Freedom of Information Act request, received via email on January 31, 2017 and summarized below:

*We would like to get your Union County GIS line work, text, cad file copied and exported into .dwg format for the full extent of the County*

I have performed an export of the County's parcel layer data in Autocad format. The total file size is 34.3MB.

Per Section 6(a-5) of FOIA (5 ILCS 140/6(a-5)), please see below an accounting of applicable fees.

Contents	File(s) Type	Total File Size	Fee
Parcel Layer DWG File	Non-PDF, >4MB	34.3MB	\$100
Total Fee			\$100

Your check can be made payable to *Union County Treasurer* and mailed to my office—address is above—at your convenience. Once payment is received, I can deliver the files by your choice of postal mail, email or FTP.

Once those files are delivered, we will consider your request completed. If I may be of further assistance, please let me know.

Sincerely,

Rollie Hawk, Chief Information Office
