Subject: Need information

Hello, my name is Sam Smith.

I am a computer science student at the University of Missouri St.Louis working on my senior computer project.

Every year computer programs are refined in an attempt to create accurate prediction models on various topics such as the one I am working on which is the prediction of elections.

This year I, and several other students, have been assigned to this project and the reason I am contacting you is that we need data, which are the names and address of all the people who have filed for office for the upcoming April 4, 2017 election throughout the state.

I formally ask that you send the the names and addresses of all people who have filed for the upcoming April 4, 2017 election in your area.

Please send the information to:
electionstudentsurvey@gmail.com

If there are any questions you may contact me at [314-445-1149](tel:314-445-1149).

Thanks in advance for your help.

Sam Smith
