Ms. Sutton:

Please consider this our response to your attached January 26, 2016 Freedom of Information Act request, summarized below:

While it is the 1964 City Limits that we need, if you find that you do not have these, as close as you could come to 1964 would help us some.

I've scanned the map of the City of Anna that we discussed which has no dates. I've also taken a picture of the dates listed on a map of the Village of Cobden that was in the same box and may give you some idea of the age of the Anna map. These are too large to email but you can find them linked at the following URL:

[REDACTED]

Once you've successfully downloaded these files, please let me know.

We feel this completes your request. If I may be of further assistance, please let me know.

Sincerely,

Rollie Hawk, Chief Information Office

Is it possible that when you send it, you could add a note of what you think the range of years is that it might be from?

I'm afraid the only paper map we have is undated.

Hi Rollie ~ All of us working on this project cannot thank you enough for taking the time and going out of your way to help us and this extends to anyone who may have helped you!

If possible, why don't you send us the closest map you have to 1964 that has a date on it – that way I can prove the year it is from.

If you can e-mail it, that would be great; however, if it needs to be mailed, the address is:

Many sincere thanks to all of you, Dianne

We did locate an old map of Anna with boundaries on it. Unfortunately, it doesn't have any dates on it but the other maps in that box that look similar are from 1969 and later.

We can scan it and send you a copy if you would like it. Otherwise I don't think we're going to have anything responsive.

Ms. Sutton --

I will check with our County Clerk and Supervisor of Assessments on this to see if we have anything responsive.

All the best,
Rollie

Hi Rollie – I am writing to you from International Dairy Queen in Minneapolis to see if you would be able to help us in obtaining a 1964 map of the city limits of Anna, IL. From the below, you can see that I had originally written to the City Administrator/City Clerk in Anna and his reply below suggests that I try the Union County Clerk. I could not find an e-mail for the Union County Clerk, but did find one for you as the Chief Information Officer for Union County so I thought I would start with you to see if you could help us with our request and, if not, would pass it on to someone who might be able to help us.

As I mentioned below, while the 1964 City Limits is what we really need, if you find that you do not have these, as close as you could come to 1964 would help us some. Please let me know if you think someone could help us with this. Thank you SO much!

Good Morning,

I am sorry but we do not have the records you have requested. You might try the Union County Clerk.

Hi Steve – I am writing to you from International Dairy Queen in Minneapolis with what might be your most unusual question of the day. We are working on a huge GIS project mapping all of our stores and find that we need a map of the 1964 City Limits of Anna. I do have an older map in our files, but as luck would have it, there is no date on it. If my question should go to someone else, please forward it for me.

While it is the 1964 City Limits that we need, if you find that you do not have these, as close as you could come to 1964 would help us some. Do you think this is something that someone in your city offices would be able to help us with? Thank you SO much!
