Ms. Waller --

I have reviewed the matter and there was indeed an inaccuracy on the compensation page. It has been updated here:

If there was a change to her salary, I'm not aware of it but I will check to see if that's the case.

I have just now looked at the information that you sent to me. However, I still don't think it is correct. You dated the paper you sent as updated as of December 6. But failed to correct Angela Knupp's salary which from my understanding was effective December 1. Hope this was just an oversight on your part, however it does need to be corrected for the public to see the correct salary that includes her raise.
